DRUG & ALCOHOL CLEARINGHOUSE

FMCSA IT RULES OF BEHAVIOR

As a user of the Federal Motor Carrier Safety Administration (FMCSA) Drug and Alcohol Clearinghouse, I understand that I am personally responsible for the use and any misuse of my system account and password. I also understand that by accessing a U.S. Government information system, I must comply with the following requirements:

1. The Drug and Alcohol Clearinghouse is authorized for official use only.
2. The Drug and Alcohol Clearinghouse may not be used (i) for a purpose that violates any Federal law; (ii) for mass mailings of personal messages/statements; (iii) for commercial purposes, financial gain, or to support “for profit” non-Government activities; or (iv) to engage in any DOT or FMCSA-discrediting activities (e.g., gambling; viewing of adult content). “FMCSA-discrediting activities” also include seeking, transmitting, collecting, or storing defamatory, discriminatory, obscene, harassing, or intimidating messages or materials.
3. FMCSA reserves the right to monitor the activity of any machine connected to its infrastructure.
4. Drug and Alcohol Clearinghouse is the property of the Federal Government and FMCSA owns the data stored in this system.
5. Non-public Information that was obtained via the Drug and Alcohol Clearinghouse may not be divulged outside of authorized channels without the express permission of the owner of that information.
6. Any activity that violates Federal laws for information protection (e.g., hacking, spamming) is prohibited.
7. Users must lock the computer if they are away from the desk and use a password-protected screensaver to automatically lock the computer.
8. Drug and Alcohol Clearinghouse accounts are linked to your login.gov profile solely for the use of the individual for whom they were created. Your login.gov passwords or any other authentication mechanisms **must never** be shared or stored in **printed form** in any place accessible. If stored **digitally**, a password must not be stored in a clear-text or a readable format. You may store your login.gov “just in case” information in printed or digital form.
9. The Drug and Alcohol Clearinghouse uses login.gov to authenticate you. Login.gov has password format requirements and a password expiration policy that must be followed. Login.gov passwords do not expire because login.gov uses multi-factor authentication. Multi-factor authentication expires every 30 days. See <https://www.login.gov/help/changing-settings/turn-off-two-factor-authentication/> for more information.
10. Any security problems or password compromises must be reported immediately to the FMCSA Information System Security Manager at FMCSASecurity@dot.gov.
