The FMCSA Commercial Driver's License Drug and Alcohol Clearinghouse

Driver consent

Record

Employers and **medical review officers** report violation information to the Clearinghouse (positive tests, refusals to test, actual knowledge)

Retain

Secure database retains the violation and **CDL/CLP** number
Includes driver's status in return-to-duty (RTD) process

Query

Employers and **C/TPAs** query the Clearinghouse for violation information, with driver consent

FMCSA uses data for enforcement purposes
State enforcement agencies will receive driver eligibility status (i.e., Prohibited/Not Prohibited)
Drivers can access only their own information

Increasing safety on our Nation's roadways

Real-time access to reported violation information for select registered users

Easier for employers to meet pre-employment investigation and reporting obligations

More difficult for drivers to conceal drug and alcohol violations from employers

More insight into employer compliance with drug and alcohol testing rules
