Login.gov requires the completion of a user verification process to ensure the proper person is using those credentials. You will need to provide a way for login.gov to send you a one-time security code. Follow the instructions for the method you select.

Backup codes should not be used as the primary authentication method unless none of the above methods are available to you, as they can only be used a limited number of times.

7

Enter your security code and click **Submit**. This code will be provided via the method you selected. The screenshot below illustrates the SMS phone method.

A screenshot of the Drug & Alcohol Clearinghouse login page. At the top, there are logos for LOGIN.GOV and DRUG & ALCOHOL CLEARINGHOUSE. Below these, it says "STEP 3 OF 4" and "Enter your security code". A message states: "We sent a security code to +1 123-456-7890 This code will expire in 10 minutes." There is a text input field for the "One-time security code" and a blue "Submit" button. Below the input field is a "Get another code" button with a refresh icon. To the right of this is a checkbox labeled "Remember this browser". At the bottom, there is a link: "Entered the wrong phone number? [Use another phone number](#)". Below that is another link: "< [Choose another option](#)". A red line from the number 7 in the margin points to the "One-time security code" input field.

You have created your login.gov account. Click **Agree and continue** to return to the Clearinghouse website and complete your Clearinghouse registration.

A green notification bar at the top states 'Phone confirmed successfully.' Below this is a circular icon containing a user profile and a green checkmark. The main heading reads 'You are now signing in for the first time'. A section titled 'We'll share this information with The FMCSA Drug & Alcohol Clearinghouse:' lists the 'Email address' as 'sample20user20@gmail.com'. A disclaimer states 'The FMCSA Drug & Alcohol Clearinghouse will only use this information to connect to your account'. At the bottom, a blue button labeled 'Agree and continue' is highlighted with a red rectangular border. A red line connects the number '8' in the instruction text to this button.

FMCSA IT Rules of Behavior

As a user of the Federal Motor Carrier Safety Administration (FMCSA) Drug and Alcohol Clearinghouse, I understand that I am personally responsible for the use and any misuse of my system account and password. I also understand that by accessing a U.S. Government information system, I must comply with the following requirements:

1. The Drug and Alcohol Clearinghouse is authorized for official use only.
2. The Drug and Alcohol Clearinghouse may not be used (i) for a purpose that violates any Federal law; (ii) for mass mailings of personal messages/statements; (iii) for commercial purposes, financial gain, or to support "for profit" non-Government activities; or (iv) to engage in any DOT or FMCSA-discrediting activities (e.g., gambling; viewing of adult content). "FMCSA-discrediting activities" also include seeking, transmitting, collecting, or storing defamatory, discriminatory, obscene, harassing, or intimidating messages or materials.
3. FMCSA reserves the right to monitor the activity of any machine connected to its infrastructure.
4. Drug and Alcohol Clearinghouse is the property of the Federal Government and FMCSA owns the data stored in this system.
5. Non-public information that was obtained via the Drug and Alcohol Clearinghouse may not be divulged outside of authorized channels without the express permission of the owner of that information.
6. Any activity that violates Federal laws for information protection (e.g., hacking, spamming) is prohibited.
7. Users must lock the computer if they are away from the desk and use a password-protected screensaver to automatically lock the computer.
8. Drug and Alcohol Clearinghouse accounts are linked to your login.gov profile solely for the use of the individual for whom they were created. Your login.gov passwords or any other authentication mechanisms **must never** be shared or stored in **printed form** in any place accessible. If stored **digitally**, a password must not be stored in a clear-text or a readable format. You may store your login.gov "just in case" information in printed or digital form.
9. The Drug and Alcohol Clearinghouse uses login.gov to authenticate you. Login.gov has password format requirements and a password expiration policy that must be followed. Login.gov passwords do not expire because login.gov uses multi-factor authentication. Multi-factor authentication expires every 30 days. See <https://www.login.gov/help/changing-settings/turn-off-two-factor-authentication/> for more information.
10. Any security problems or password compromises must be reported immediately to the FMCSA Information System Security Manager at FMCSASecurity@dot.gov.
11. Users must protect all confidential/sensitive and privacy information from disclosure.
12. Hard copies of confidential/sensitive and privacy information must be shredded and destroyed.
13. I agree to accept any written communication from FMCSA relating to my participation on Drug and Alcohol Clearinghouse by electronic mail at the email address(es) I provide to FMCSA. Such electronic communication shall be complete upon its transmission by FMCSA.
14. I understand that Federal law provides for punishment under Title 18 of the U.S. Code, including a fine and up to 10 years in prison for the first offense for anyone who:
 1. Intentionally accesses a Government information system without authorization, or exceeds authorized access, and obtains information that requires protection against unauthorized disclosure.
 2. Intentionally accesses a Government information system without authorization, or exceeds authorized access, and impacts the Government's operation, including availability of that system.
 3. Intentionally accesses a Government information system without authorization, or exceeds authorized access, and alters, damages, or destroys information therein.
 4. Intentionally accesses a Government information system without authorization, or exceeds authorized access, and obtains anything of value.
 5. Prevents authorized use of a Government information system.
15. Users must only use Sensitive Personally Identifiable Information (SPII) on encrypted laptops, mobile devices, and storage media devices. SPII is a subset of PII which if lost, compromised or disclosed without authorization, could result in substantial harm, embarrassment, inconvenience, or unfairness to an individual. (e.g., DoB, SSN, and Driver's License).
16. Users of FMCSA IT systems using non-FMCSA furnished equipment to access FMCSA IT systems must install and maintain antivirus and anti-spyware tools on said equipment.

Drug and Alcohol Clearinghouse Terms of Use

I understand that failure to comply with the Clearinghouse Rules of Behavior and Terms of Use may result in revocation of my Clearinghouse registration under 49 C.F.R. § 382.713.
